National Nutrition Month Was a Success!
We had 3 successful tabling events for #NationalNutritionMonth with our Campus Dietitian, Tina Fallon! It was great to collaborate with Tina to spread awareness about nutrition and the services she provides on campus. One of the best items that came out of this year's nutrition month is our dietitian's guide to healthy eating on campus. View and print out our dietitian's guide to healthy eating on campus on our website here!

To set up an appointment with Tina, please reach out to the Wellness Center at 978-934-6493.
